Dear Parents/Guardians:

What Would Jesus Do (WWJD)? This profound question is one that we all know the answer to, however we seem to have difficulty with His expectations as we live our lives. Welcome to the 2017/18 school year as we unveil our theme of WWJD. Throughout the year, we will focus on the life and works of Jesus hoping to ultimately impact our own lives in a powerful way. Collectively we will strive to be the best we can be in all aspects of life. We know of no better authority than Jesus for help with our work ethic, our behavior, our social development and our quest for knowledge. Our goal is for the students of SHS to eagerly place into practice the teachings of Christ with the same fervor of children exploring a new piece of playground equipment. This year promises to be filled with exciting academic challenges and opportunities to grow in mind, body and soul. As we continue to develop and maintain our positive family environment, I wish to welcome our new families into our school community and salute the families who have steadfastly supported us throughout the years.

Christ is the center of all we do at SHS and we welcome Him with open arms. Making good decisions, in the face of outside pressures is a top priority. Appropriate behavior coupled with a positive attitude that places others before self are important ingredients to success as a student of Sacred Heart. Responsible citizenship through respect, care, and concern for others is a must. The Student/Parent Handbook, that you are about to read, is saturated with information that all will need to know so that our school will run smoothly. Please take the time to familiarize yourself with the expectations that we have for your children's successes. After reading its content, we ask that you sign the acknowledgement form and return it to your youngest child's teacher.

Our vision is quite clear as we strive to nurture your child through academic, social, and spiritual growth, completing these tasks with comfort and compassion. God has blessed our school with sunshine inside our building. The staff is committed to help all as individuals within this beautiful environment. Let us always work together as Jesus has taught us caring for all, providing service for those in need, and creating an environment of respect.

We encourage you to access school information via our websites: [www.shswadsworth.org](http://www.shswadsworth.org) and [www.sacredheartexcellence.com](http://www.sacredheartexcellence.com). The teachers will keep you informed of student progress on Gradelock and will send out many One-call emails, phone messages, and newsletters to keep all abreast of school activities and student accomplishments. Please call anytime to ask questions or make suggestions. WorkingTogether we become stronger.

What would Jesus Do you ask? He would be happy with our efforts to be like Him.

God BlessYou!

Bill Adams, Principal

## **Mission Statement of Sacred Heart of Jesus School**

The Mission of Sacred Heart of Jesus School is to:

- Embrace and teach the Catholic faith.
- Welcome all who desire to learn.
- Provide excellent academics and rich spiritual opportunities.
- Live our love for God and others through service.

## **Philosophy Statement of Sacred Heart of Jesus School**

Education of a child begins within the home in the heart of the family. Parents, as first and primary educators of their children, have the privilege and responsibility to plant and nourish basic Christian values, and to introduce the child to the Catholic faith and a personal relationship with Jesus Christ.

Sacred Heart of Jesus School is maintained and supported by the parish community to pass on the values and beliefs of the Catholic Church. The school shares in the total development of the child within a loving faith community. In imitation of Jesus, with His love and guidance, each teacher strives to teach as He did to help the child and the entire school community to witness the Gospel message of hope, peace and justice to the Wadsworth community and those we meet. Parents, as the primary educators of their children, foster and enrich their children's unique pattern of spiritual, intellectual, emotional, social and cultural growth, and encourage active involvement in the parish and school community.

The faculty assumes the responsibility of developing a curriculum that meets the individual needs of each child, and at the same time, stresses the values of respect for life, sacredness of the family, unique giftedness and talents of each person and justice and peace for all peoples. By implementing current educational methods and materials and by presenting religious instruction authentic in doctrine, the child can grow and become a more mature member of the Church and society.

## **Admission Guidelines & Priority**

Sacred Heart of Jesus School is a Catholic elementary school intended to provide a quality Catholic education to all children. Non-parishioners and non-Catholics are welcome. In all cases, admission of students to Sacred Heart of Jesus School will be made only in those cases where the child's needs can be met. While there is no maximum class size defined, it shall be the attempt of the Pastor and the Principal to keep the class size at 30 children or below as much as possible. We are currently at an 18:1 student to teacher ratio.

Decisions regarding the admissions of students to Sacred Heart of Jesus School will be made primarily in terms of the guidelines outlined hereon; however, the Pastor and building Principal reserve the right to digress from these guidelines for unusual circumstances or where special concerns are factors.

If a waitlist is generated, students will be considered for admission to Sacred Heart of Jesus School according to the following priorities:

- ◆ Parishioners by date of registration (i.e. children of families who are registered in, attend and contribute to Sacred Heart of Jesus).
- ◆ Catholics from parishes without an elementary school (i.e. non-parishioners who are registered in, attend and contribute to a parish without an elementary school).
- ◆ Catholics from parishes with an elementary school (i.e. non-parishioners who are registered in, attend, and contribute to a parish with an elementary school with the specific, written permission of the pastor).
- ◆ Non-Catholics (i.e. children of families of other faiths who desire a Catholic education).

Sacred Heart of Jesus School may conditionally accept new students into grades 7 & 8. We ask for a letter of recommendation from the principal of the previous school. Families who wish to seek re-admittance to the school will be required to register as new students following the admission guidelines herein. Re-admittance will be at the discretion of the Pastor and the principal.

**NOTE: Acceptance for enrollment of students transferring from another school to Sacred Heart is never final until all records are received, reviewed and approved.**

## **Attendance Policy**

Academic progress demands daily attendance. In many cases, irregular attendance is the major reason for poor school performance. Therefore, absence from school is discouraged. Parents are urged to make doctors appointments and vacations outside of school hours. If a student needs to leave the building during the day, a parent/legal guardian must sign the student out. A written request must be sent to the office for approval for unavoidable appointments.

Reasons for which absences may be **excused** include, but are not limited to: personal illness of the student, illness in the student's family, death in the family, or quarantine for contagious disease. Whenever a child is going to be absent from school, parents should notify the school (334-6272) by 9:30 AM each day of the absence. Upon returning to school, parents must provide a signed, written note explaining the absence. If a child is absent more than 5 times during a grading period, a written physician's excuse is required for each absence thereafter verifying the necessity of subsequent absences. Any student missing more than **15 days** during the school year will be required to meet with the principal to develop a plan to help improve attendance. A doctor's excuse will be required for any further absences during the rest of the year. It is understood that the child and parents are responsible for making up any missed work assignments. Students who are absent from school for reasons not permitted by State Law may or may not be permitted to make up work. Each case will be considered on its merits by the principal and the respective teacher. Students who are taken out of school for trips or vacations will be expected to make up the work. The responsibility for this missing work will rest with the child and will not be re-taught by the teacher. However, if the school is notified in advance of such trips, every effort will be made to prepare a general list of assignments for the child to do while he/she is absent.

**We strongly discourage parents from taking vacations during the school year.** All missed work must be turned in.

Any student arriving after 11:00 AM and before 1:00 PM will be marked a half day absent. Students arriving after 1:00 PM will be marked a full day absent. Any student who leaves prior to 11:00 AM will be marked a full day absent. Any student who leaves after 11:00 AM will be marked a half day absent. If students are signed out of school for an appointment etc. and are gone 2 hours or more they will be marked a 1/2 day absent.

**Truancy** (absenteeism & tardiness) will not be tolerated by Sacred Heart of Jesus School. Parents have the responsibility to ensure that their children attend school. If excessive truancy continues to exist, the student and parents may be reported to Juvenile Authorities.

Our school day begins promptly at 9:00 AM. Students are considered **tardy** if they are not in their classroom at the 9:00 AM bell. Students must report to the office for a tardy slip to present to the teacher. If children are tardy because of an unavoidable medical or dental appointment, a physician's excuse is required upon arrival at school. Bus riders will not be considered tardy if the tardy is due to a late bus. **A student who has 5 tardies in a grading period will receive a half hour detention. Every tardy thereafter will increase by a half hour. (Example—6 tardies = an hour detention, 7 tardies = 1-1/2 hour detention).** Each grading period, a child's "slate will be wiped clean."

Pupils shall not assemble on or about the premises of the school before 8:30 AM except by permission of the principal. Students may wait in the lobby area until the 8:40 AM bell rings. On Wednesday mornings students may go to early morning gym at 8:15 AM. **With the exception of bus riders, students may not enter the building before 8:30 AM.** When dropping students off in the AM, please recognize the traffic congestion and pull to a parking spot if you need to exit your vehicle.

### **Auxiliary Services**

The students of Sacred Heart of Jesus School benefit from the following professional services of state and federally funded personnel: Title I (Federal Program) Reading & Math Tutor, LD Tutor, Speech and Language Therapist, School Nurse, Health Aide, Teacher Aide, Government Clerk, School Psychologist, Intervention Specialists and Technology Teacher.

### **Birthdays**

Birthdays and half-birthdays are special days at Sacred Heart School. Students may bring a small treat to share with their class at the end of the day. Please make sure all students are included in the treat especially those with special diets and or allergies. If you are unable to provide a unique request, please call the school. Students are also permitted to have a Grub Day. If the birthday occurs on a weekend, church day, or already scheduled grub day, the Grub Day can be taken the day before or after the birthday. NOTE: Half-birthdays are celebrated only for students who have summer birthdays.

### **Communications**

In the development of children, the understanding between home and school is of great importance. In order to strengthen the relationship of home and school, we suggest that when in doubt concerning

regulations or procedures, please contact the school for clarification (334-6272).

**Classroom Interruptions.** Parents are asked not to interrupt a class in order to consult with a teacher. If you wish a conference with a teacher, please send a note directly to the person or call the office for an appointment. Home phone numbers of teachers are not released. Teachers or the Principal should not be called at home. If you wish to speak to a teacher, please call the office and leave a message for the teacher. **Parents should not to go to the classrooms before school or at dismissal.** The morning is a difficult time due to teacher preparation. Concerns regarding your child's progress in school should be shared with the teacher at the appropriate time and in the appropriate way.

**Calendar and Lunch Menu.** A monthly calendar of events, and the cafeteria menu are published and available on the school webpage. The monthly calendar is also sent home through the bookbags.

**GradeLock** is a web-based communication system for parents and teachers. At any time parents can access their child's grades using their GradeLock password. Newsletters and daily homework assignments may also be accessed at any time using this password.

**Newsletter.** SHS provides information through its newsletter published at least 2 times per month. The newsletter is sent through email and is also available on our webpage. Please contact the office to receive a hard copy of this correspondence.

**OneCall** is a specialized voice message delivery system that allows us to record a message and send that message to all students and staff about important events such as school closings and special meetings. OneCall also allows the school to email parents with news from the school, including newsletters.

**Parent/Teacher Conferences** are held twice a year (October and January). The conference in October is mandatory for all families. The January conference requires at least some form of communication if a face to face isn't scheduled. Conferences may be held throughout the school year if needed.

**Report cards** are given out four times a year. They are to be signed and returned promptly. Report cards will be held if tuition or other fees are in arrears at the end of each grading period and/or school year. Parents can access their child's grades online anytime, but will be required to check grades mid-quarter each grading period. With a combined effort of parent, student and teacher, student's grades will improve and satisfactory marks will be evident on the report cards.

**Teacher Requests.** Sacred Heart School does not accept teacher requests. We make every effort to place children in an environment of success.

**Webpage.** Sacred Heart's webpages ([www.shswadsworth.org](http://www.shswadsworth.org) and [www.sacredheartexcellence.com](http://www.sacredheartexcellence.com)) are good sources of information and current news. Staff members have created their own teacher pages, providing pertinent information.

**Written Correspondence.** All written correspondence to parents is sent home with the youngest/only child in each family, usually on Wednesdays. Upon receipt, parents should read all information immediately. **If a parent/guardian wishes to have additional correspondence, report cards etc. mailed to their home, please provide self-addressed stamped envelopes.**

## Curriculum

The curriculum at Sacred Heart of Jesus School follows the guidelines of the Cleveland Diocese, and is in compliance with all state requirements. At Sacred Heart, we are blessed to have a qualified and dedicated faculty to teach our students.

Students in 5th through 8th grade are exposed to daily class changes with subjects taught by teachers who are properly certified, highlighting their expertise. Specials for 5th-8th are scheduled in the afternoon for class continuity.

**Extended Learning Program (ELP).** Students in grades 3-8 must meet both of the following requirements to qualify for the Extended Learning Program (ELP), which is our gifted program.

1. The student must have a Standard Age Score (SAS) of at least 130 on the Cognitive Ability Test (CogAT).
2. The student must have a National Stanine of 9 on the core total score of Language, Reading and Math on the IOWA Test of basic Skills.

**Field Trips.** As an extension to the curriculum, SHS provides field trip experiences to all of our students. We travel to Washington D.C. , Cleveland, Columbus, Put in Bay, Pittsburgh, and Camp Christopher just to name a few. All chaperones MUST be VIRTUS trained.

**Testing.** In order to determine the needs of our students, we administer standard tests. Typically, students in grade 1 complete the Cognitive Abilities Test in the fall. Our spring testing program is designed for students in grades 1, 3, 5 & 7. The tests administered at this time are called MAPS. Each class will take the MAPS tests 3 times a year. The test is designed to create a progress chart for each student. Grades 3, 5, & 7 also take off-grade Writing Proficiency tests. **Please refrain from taking your students out of school during tests.**

We also provide **DIBELS testing**, in the primary grades, to measure student needs and progress in reading.

Peterson and EdChoice Expansion Scholarship students are required to take the State Mandated Tests to keep their scholarship monies.

## **Custody Policy**

Sacred Heart of Jesus School is finding an increasing number of families experiencing transitions in parental custodial relationships. In addition, laws governing divorce settlements and custody have been recently changed. For this reason, we find it necessary to clarify and reiterate the usual procedures followed by the administration and faculty in dealing with parents in such situations. **It is imperative that we have the most current copy of the court order on file to effectively deal with the situations that may arise.**

## **Discipline & Code of Conduct**

Sacred Heart of Jesus School sets a priority to teach self-discipline as the highest discipline. We are committed to providing a safe learning environment for all children. A discipline policy is designed to ensure every student the best possible learning environment for growth and academic learning. Our goal is to instill in each child a sense of self-discipline and responsibility for self and for the learning environment of others. Each student must be willing to accept the results of behavior for which (s)he is responsible. At the beginning of the school year, each teacher will outline classroom rules which will provide the best learning environment for all students including reinforcement for positive behavior and consequences for negative behavior.

### **Rules of Discipline**

The following list of unacceptable behaviors includes, but is not limited to:

- ◆ disrupting the learning process
- ◆ Insubordination, disrespect to teacher
- ◆ verbal or physical assault
- ◆ intimidation, bullying or harassment
- ◆ disregard for school policy regarding the uniform code, playground rules, lunch program, safety regulations, etc.
- ◆ disregard for classroom policy
- ◆ unexcused, excessive absence or tardiness
- ◆ leaving the school grounds without permission during school hours
- ◆ inappropriate language, written or verbal
- ◆ theft of or intentional destruction of personal, school, or parish

- property (monetary compensation must be made)
- ◆ unacceptable field trip behavior
- ◆ use, possession or transmission of or sale of prohibited items, such as, knives, weapons (including look-alikes), matches, fireworks, lighters, drugs (including look-alikes), tobacco, rubber bands, and items deemed dangerous by the supervising teacher
- ◆ chewing gum during school hours
- ◆ CDs, iPods, iPads, MP3s, iPhones, and other electronic devices may be used at the discretion of the teacher for curriculum purposes ONLY. These devices along with other electronic devices may **not** be brought to school for personal use unless okayed by a teacher
- ◆ **Cell phones must be turned off and kept in locker or book-bag during school hours.** Cell phones will be taken for parent pickup on the first offense. They will be confiscated and must be picked up by the parent at the end of the nine weeks on the second offense. Walking the school halls immediately before and after school using a cell phone is not permitted
- ◆ repeated acts of misconduct
- ◆ inappropriate bus conduct
- ◆ public display of affection on school property

Corrective action taken when a rule is broken will be responsive to and in direct relation with the nature of the misconduct. ***It is the right of the school to decide the consequences of misconduct.*** A variety of measures are available: reprimand, loss of privilege, detention, parent contact or conference, restitution for damages, suspension or expulsion. Certain matters may fall under the jurisdiction of the legal system. If legally required, those incidents will be reported to law enforcement officials.

**Detention** is when students are required to stay after regular dismissal. Many teachers use an accumulation of discipline slips (typically 3) to equal a detention. Parents are informed of the date for the detention to be served. Detention times are noted on the detention slips. Transportation is the parents' responsibility. Missed detention will result in an additional detention. Again, teachers send home their discipline plans the first week of school explaining their rules pertaining to discipline/detentions. Dependent upon the infraction, teachers may need to forego discipline accumulation and directly issue a detention for discipline. In school detention will be used for certain violations.

**Probation** may occur when a student has violated the discipline policy several times in one semester. The principal, teachers, pastor, parents and the student involved will meet for a conference and sign probation papers. Probation is formal notice that a student may be

asked to transfer to another school if the behavior patterns do not change.

**Major Misconduct.** Certain violations may be considered serious misbehaviors and may result in strong disciplinary action, including suspension, emergency removal, and/or expulsion. Only the principal or pastor may suspend or expel a student. **Suspension** is used for more serious offenses, at the discretion of the principal. Some reasons for suspension are fighting, weapons, truancy, physical or verbal abuse of staff or students, smoking, drugs, etc. An **in-school suspension** may be considered in some cases and used at the discretion of the principal. Suspensions are counted as absences and noted in the attendance records as suspension. **Expulsion** of a student is a serious matter and will only be used when absolutely necessary. In some cases the principal or pastor may deem an action by a student so severe that it would result in immediate expulsion from school. This decision is the right and responsibility of the principal and/or pastor.

Expulsion may be enforced for the following reasons but are not all inclusive:

- ◆ contempt for the Catholic faith and religious practices
- ◆ possession or transmission of items deemed dangerous to the welfare of the students (weapons, drugs, alcohol)
- ◆ defiance of school policy after imposition of discipline code measures and probation status

As needed, students who are candidates for expulsion will be granted a conference with their parents, teachers, principal, and the pastor.

**Harassment Policy.** The pastor, administration and staff of Sacred Heart of Jesus School believe that all employees and students are entitled to work and study in a school-related environment that is Christ-centered and free of harassment. Sacred Heart of Jesus School will not tolerate harassment of any type. If harassment occurs, the appropriate disciplinary action will be taken. Disciplinary action may include suspension or expulsion. Examples of harassment include, but are not inclusive of, verbal or written taunting, bullying, other intimidating, hostile or offensive conduct, jokes, stories, pictures, cartoons, drawings or objects which are offensive, tend to alarm, annoy, abuse or demean an individual or group, and are continuing in nature. Copies of the policy and procedures are on file in the office.

**Sexual Harassment & Sexual Violence Policy.** Sacred Heart of Jesus School is firmly committed to providing a safe, positive learning and working environment for everyone in the school. For this reason and in keeping with the goals and objectives of Catholic education, Sacred Heart of Jesus School expressly prohibits sexual harassment and

sexual violence in the school environment. This policy re-emphasizes the personal dignity of the individual and fosters positive sexual attitudes and respect for others. A copy of the procedures and policy are on file in the office.

**Violence & Threat Policy.** Whenever an individual believes that his/her personal safety is in jeopardy or challenged, a threat has occurred. Any and all student threats to inflict any harm to self or others will be taken seriously.

The following is the adopted policy of Sacred Heart of Jesus School:

- ◆ Any and all student threats to inflict any harm to self or others must be taken seriously immediately.
- ◆ Whoever hears of a threat or recognizes a threat in written work should report it immediately to the principal.
- ◆ The parent will be notified immediately.
- ◆ Police may be notified if circumstances warrant.
- ◆ The student will be kept in the principal's office under supervision until the parent and or police, if notified, arrive.

## Faith

**Mass/Liturgical Programs.** By the celebration of the Eucharist, all members of the parish are made one in Christ. Encourage your child to participate in this celebration when possible. Each child's appreciation of the Mass grows from his/her participation. Planning and participating in the Eucharist will be an integral part of your child's program at Sacred Heart of Jesus School. Parents are invited to join their children at the all-school Masses. It is absolutely expected that our students attend Mass on the weekend with their parents and contribute to Sacred Heart Parish.

Confessions are scheduled several times throughout the school year. Stations of the Cross are scheduled during Lent. The Rosary, prayed on Wednesdays during the months of October and May, along with May Crowning are special Marian Devotions. Servers are taken from grades 5-8 and lectors grades 7-8.

**Sacramental Policies.** Each year Sacred Heart Parish invites a new group of young people to a fuller participation in the Sacramental life of our parish family. It is an event for which we all (children, parents, catechists and pastoral staff) prepare. It is an event in which the whole parish participates and rejoices.

Sacred Heart Parish recognizes the obligation of and opportunity for **parents** to be the first and primary educators of their children (Declaration of Christian Education, Vatican II). We recognize **parents** as the foundation upon which Jesus builds His Church. We recognize that **families** build upon and continue the traditions of our Catholic heritage. To this end, the Sacramental Policy at Sacred Heart is as follows:

**Baptism.** A program for expectant parents is held to remind parents of the opportunity and obligation they have as first and primary educators of their children in presenting them for baptism. Parents will share an adult dimension of their faith which is renewed in the Sacrament of Baptism for their children and lived out in the Christian community of Sacred Heart Parish.

**Eucharist/Penance.** Continuous preparation takes place throughout the years in our Religious Education programs, with special emphasis in grade 2. Preparation also includes a mandatory meeting for parents which provides necessary information. **First Communion** is typically held in May or late April.

**Confirmation.** Personal conversion and a willingness to grow in the faith through parish involvement are the major factors in determin-

ing readiness for Confirmation. Preparation begins in grade 9 with the Sacrament being administered in the fall of the 9th grade year.

**Service/Mission Dues.** Obviously Service to God and others is a vital aspect our Catholic Faith. We will encourage our students to provide for others through the school year including participation in projects, food drives for the St. Vincent de Paul Society, and other fundraising activities.

The usual \$1.00 mission dues required for membership in the Society for the Propagation of the Faith should represent the personal sacrifice of each child for the cause of the Missions. Since October is Mission Month, the children will be asked to contribute \$1.00, if possible, during this time.

### Homework Policy

Homework is a vital part of the learning process. Since homework is an extension of curriculum taught in the classroom, parents are responsible for:

- ♥ *providing a proper environment for the completion of assignments*
- ♥ *supporting the authority of the teacher assigning the work*
- ♥ *showing an interest in the child's work*

- ♥ *checking neatness and completeness*
- ♥ *giving individual help when necessary, always remaining patient and understanding*
- ♥ *encouraging the child, rather than doing the work for him/her*
- ♥ *Reading with or to your child for 15 minutes each day*

Suggested time allowances for homework are:

K,1,2	15-30 minutes per night
3,4,5	30-60 minutes per night
6,7,8	60-90 minutes per night

Ordinarily, homework is not given over a weekend.

**Vacation assignments** may not be able to be gathered ahead of time. Upon return assignments need to be addressed.

**For grades 5-6 the following policy will apply:**

Missed homework assignments will be noted. Every Thursday, students with missing work will stay in at recess to complete it. If they still have missing assignments on Friday they will visit the principal.

**For grades 7-8 the following policy will apply:**

Assignments that are one day late will receive 3/4 credit. Assignments two or more days late will possibly earn 1/2 credit.

Homework will be collected each morning after the tardy bell.

**NOTE:** The office telephone is for business use only. Students will be discouraged from using the phone to call home to request forgotten homework, gym clothes, permission slips, etc. Students will not be called from class to receive a phone message except in cases of emergency.

## **Library**

Students have regularly scheduled library periods and are free to check out books. Charges for lost or damaged books will equal the replacement cost of the book. Wadsworth Library books will be available to K-1 students weekly. Report cards will be held if library fines have not been paid by the year's end.

## **Lunch Program**

The lunch/recess period is 40 minutes in length for students. Students must eat for at least 10 minutes before being dismissed for re-

cess. Lunches should be clearly marked with the child's name and room number. The cost of daily lunch provided by Wadsworth City Schools is \$2.70 for K-4 and \$2.80 for 5-8. The school cafeteria will open on the first day of school. Milk can be purchased separately for .50. Ala Carte items are also available for purchase for all students. All menus are posted on the Food Service website at [www.wadsworth.k12.oh.us](http://www.wadsworth.k12.oh.us) or in the Trading Post newspaper. Students who are eligible may qualify for free or reduced-price lunches. Forms for this program are sent to parents at the beginning of the school year. **We encourage all those eligible to take advantage of this program. Complete confidentiality is practiced. ABSOLUTELY** no carbonated beverages or fast foods (i.e. Taco Bell, McDonald's, Subway etc.) may be brought to school as part of a packed lunch. **We need to support our cafeteria by purchasing lunches. Many Catholic Schools wish they had what we currently have (a 5 day lunch program without the need for volunteers). Please buy! We must increase our daily lunch count.**

#### **Point of Sale Software**

Food services now operates under a Point of Sale (POS) system, which means each student must type in their student ID# in order to purchase any items. Under POS, each student has an account. Line speed is greatly accelerated by having existing money on a student account. Therefore, parents are encouraged to send money in the form of checks to be placed on student accounts. Monies on an account are eligible for meals and ala carte items. However, this money is not available for vending machines. All money left on the account at the end of the school year, stays with the student and will transfer to the next grade. Thus, refunds are only granted if a student withdraws.

POS has the ability to block specific purchases or honor parental requests. To do this, please create an account for your students with his/her ID numbers. If you have multiple students in the district, you may have them all on one account. Just click on the link on the Wadsworth City Schools Food Service website. Detailed instructions will guide you through the process. It is very easy and user-friendly. On-line access allows parents to view all the purchases your child is making, what tender was used, allows you to limit the dollar value spent on ala carte items, and allows you to place money on the account.

#### **Charge Policy**

Children are permitted to charge twice. A peanut butter sandwich will be given to all those who have more than two charges on their

account. All charges must be paid in full prior to Christmas break and the Memorial Day holiday. Charges are not permitted after the Memorial Day holiday.

### **Cafeteria Rules**

1. Teachers will encourage students to wash hands before entering cafeteria.
2. Students will walk.
3. Students will respect all cafeteria workers and monitors.
4. Students will line up single file to buy lunch. No cutting allowed.
5. Each class will sit at an assigned table. Students must stay seated to eat.
6. Students may speak quietly to other tablemates (no yelling please).
7. Students will show kindness to others.
8. No carbonated beverages or fast food may be brought in. Also students should avoid trading or sharing food due to allergies.
9. Students must raise their hand to receive permission to leave their seat.
10. Students will clean up their table and floor area.
11. Students will recycle their waste.
12. No student eats alone.

### **Parental Involvement/Volunteers**

Since parents are the primary educators of their children, we expect parents to be involved as much as possible in the school activities. Various parent events are held throughout the school year. Please support us in the effort of educating your child by showing interest in these activities. We ask that all parents (and visitors) please stop by the school office before going to any classroom. **Sacred Heart PTO** is our parent organization. All parents are encouraged to join and participate in regularly scheduled events. The PTO organization is vital to our school's ability to provide educational opportunities to our students. Sacred Heart encourages volunteers. Please note that all volunteers need to complete the 5 steps of VIRTUS training, Protecting God's Children, program. Information can be found at [www.shofjesus.com](http://www.shofjesus.com) under About/Volunteers.

### **Recess**

#### **Supervision**

Parents, who are VIRTUS trained and supervise the playground are performing an important service for our school children and the school

staff. They are asked to circulate among all areas of the playground and discipline children when necessary. Certified teachers will be on duty along with parent volunteers each school day. All serious offenses are to be reported to the principal or classroom teacher. Students will be expected to come to school prepared to go outdoors during the winter months, unless the principal deems it necessary to stay in the building due to cold temperatures (wind chill).

When it is necessary to have indoor recess, students will go to their classrooms, the gym or computer lab. They are to follow the rules their teachers have established in their classrooms. Students are to respect the authority of supervising personnel.

### **Regulations**

In order to provide for the safety and well-being of all children, the following rules will apply on the playground during recess and school hours:

## **Supplies**

Students are expected to come prepared for class each day. Each student must have his/her own paper, pen and/or pencils, notebooks and other supplies necessary for various classes. A supply list is sent home at the end of the school year and can be accessed on our webpage [www.shswadsworth.org](http://www.shswadsworth.org), by clicking resources, parent resources, class supply list. Additional copies of the supply list are available online and in the school office. Textbooks are issued to students at the beginning of the school year. These books must be returned or paid for by the end of the school year. Students are allowed to keep the religion workbooks purchased for them each year.

## **Technology**

Our students are offered a wide range of technological services. In addition to the classroom computers, a new tech lab of 30 desktop computers is available. One of our goals at Sacred Heart is to offer computer instruction and to provide software programs that will assist the academic development of our students. We follow the approved diocesan technology curriculum. Smartboards are in all of our classrooms and are a vital part of the daily lessons. Our school offers internet usage through connectivity with Wadsworth City Schools. SHS is equipped with over 120 laptop computers for student access.

An active table that allows for interactive learning as well as over 75 iPads, 30 iPad minis, and Chromebooks are available for daily instruction. All staff have been issued iPads. Teachers will provide additional information on the programs and software used in the classroom, which will include Read, Write, Gold that can be accessed by parents. Students and parents are required to sign an internet acceptable use policy form at the beginning of each school year.

There are rules in our Computer Lab:

1. Wash hands before using the computer.
2. No eating while using the computer.
3. Downloading of games or music from the internet is restricted.
4. Children are to be supervised at all times when they are using a computer.
5. Students must use their assigned computer in the lab.

## **Transportation & Safety Measures**

Currently, bus transportation is provided by Wadsworth City Schools, Highland Local and Cloverleaf Local. For those who live in a

district that does not currently bus students to Sacred Heart, we encourage you to contact your public school district for compensation.

Bus regulations are set by the local public schools. Students must realize the importance of good conduct on school buses. In the event of misbehavior, the driver will turn in a written report. Parents are to sign the written report and return it to the principal the following school day. Additional discipline may be taken by the principal if necessary. Students may lose bus privileges should they choose to not abide by the rules that the local public school district has set. Students receive bus rules and safety procedures at the beginning of each school year.

The safety of your children is of the utmost importance, therefore, we request that you indicate the method of transportation your child will be using for the school year. Forms will be sent home at the beginning of each school year and must be returned immediately. If your child regularly rides the bus, please indicate "bus rider," etc. If your child will use another method of transportation than the one you have indicated, you **MUST** send a note to school the morning of the change. Parents are discouraged from calling the school to request a change of transportation. If it is necessary to make a sudden change due to an **emergency** situation (i.e. your child typically rides the school bus, but you need to pick him/her up from school), you may call the school before 3:00 PM. However, you **must** come to the office and provide written notification of the change when you pick your child up.

Please aid our crossing guard by **reminding your children to cross only at the corner** where (s)he is on duty. Children are **not** to arrive at school before 8:30 AM. Supervision will not be available before that time (except for bus riders who must remain in the cafeteria until the 8:40 AM bell). Our school day ends at 3:25 PM. All students are expected to be picked up promptly. We cannot be responsible for children who arrive prior to 8:30 AM and depart after 3:45 PM. Students not picked up by 3:45 PM will be sent to Aftercare, and will need to be picked up at the Humbolt doors.

All cars should enter the parking lot on Broad Street and exit on the alley. Please let your children out of the car as close to the main entrance as possible. This will allow other cars to enter the lot. Have your children always cross in front of your car. If you must get out of your car, please park in a spot as to not tie up the line of traffic. Parents who pick up their children must do so in the parking lot. Students are to remain at the steps of the building until a **parent** walks up to get them. Once all students are safely in cars, drivers will be dismissed by the teacher on duty and leave in an orderly fashion.

**Bicycle Safety.** Students may ride their bicycles to school. Helmets **must** be worn. All bicycle riders are to leave by way of Broad Street and crossing only with the crossing guard.

### **Financial Assistance (TAP)**

It will continue to be our policy to assist families in providing a Catholic Education to their children. Families may apply for financial assistance through the Sacred Heart Tuition Assistance Program (TAP). Applications for this service may be obtained from the school office in February. The information on this grant is based on the income of the past year with grant monies applied to the following year's tuition.

Financial assistance is for one year only and must be applied for each year as needed. All financial matters will be considered strictly confidential. The Diocese of Cleveland is also a source of scholarship and financial aide.

### **Parents & Friends Gift Certificate Program**

Parents & Friends is a group of volunteer school families who work together to help reduce tuition costs. The online program is based on buying gift certificates and gift cards from local and national vendors at a discount stated by the vendor.

Participants pay full price for the certificates and the discount funds are held until the end of the fiscal year. (The fiscal year runs from February 1st to January 30th of the following year.) Each May, the previous year's participant accounts are reconciled and the participant receives their reward. The total reward is split with 50% going to the participant, and 50% coming to Sacred Heart of Jesus. Participants can choose to have their reward applied to their family's tuition bill for the upcoming school year, donated back to the program, or can request a refund check issued to you. The funds raised by the program directly help the Parish and School and a portion goes directly into TAP (Tuition Assistance Program).

### **EdChoice Expansion Scholarship**

Families who qualify for this income based scholarship through the State of Ohio may use it to pay for full tuition. The application is through the Ohio Department of Education and includes K, 1st, 2nd, 3rd and 4th grades. Please contact the office with questions or go to the Ohio Department of Education website. We have information packets available in the office.

### **Jon Peterson Scholarship**

SHS accepts Peterson Scholarships that are aligned with students who are eligible or presently on an IEP (Individual Education Plan). Please call the office if questions arise.

## **Weather & Emergency Closings**

In the event of inclement weather before the beginning of a school day, accurate information will be available through television stations and our OneCall system:

WEWS-TV Channel 3, 5, 8, 19

If it is announced that WADSWORTH PUBLIC SCHOOLS are closed then Sacred Heart of Jesus School will be closed. If Wadsworth Public

Schools announce a 2 hour delay, Sacred Heart of Jesus School will also have a 2 hour delay.

In the event of an emergency closing during the school day due to weather or catastrophe, announcements will be made over the same T.V. stations, and our OneCall system.

## **Wellness, Food and Nutrition**

In view of the number of students in the classrooms and for your own child's well-being, sick children must not be sent to school. A student must be fever free for 24 hours before reporting to school. In the event that your child is sick and cannot come to school, please call the school office (334-6272) before 9:30 AM to report that your child will be absent.

When a child becomes ill at school, (s)he may not leave school without the permission of the principal. The parent is responsible at the beginning of the school year for giving names of persons who can be reached in the event of a child's illness or injury, and who will be able to get the child home. To ensure your child's safety, parents are to report to the office and sign out before taking a child home. No child will be sent home alone or sent to an unsupervised home.

### **Food Allergy Guidelines**

#### Parent Responsibilities

1. Provide the school with up-to-date information regarding the child's allergy as soon as possible.
2. Participate in developing an Allergy Action Plan with child's doctor to be sent to the school nurse.
3. Provide appropriate medical documentation and medication to the school nurse including the Allergy Action Plan and a current photo for proper ID.
4. Communicate concerns to the school as those concerns arise.

#### Student Responsibilities

1. Take as much responsibility as possible for avoiding allergens.
2. Avoid trading or sharing foods.
3. Wash hands before **and** after eating.
4. Promptly inform an adult as soon as accidental exposure occurs or symptoms appear.
5. Develop a relationship with the school nurse/health aide or another trusted adult in the school to assist in identifying issues related to the management of the allergy in school.

**Communicable Diseases.** A letter will be generated, and sent

home through the bookbags, to inform parents of potential risks (lice, skin infections etc.).

**Food & Nutrition.** In conjunction with the Diocese of Cleveland and the regulations of the State of Ohio, Sacred Heart is in compliance with the National Food and Nutrition Regulations.
