

Dear Parents/Guardians:

I hope this email finds you in good spirits, we have important information to provide to you today.

The Renaissance program has allowed us to move forward at home with assessments and testing. All of our students can access their AR accounts by logging in at:

<http://hosted349.renlearn.com/108039/>

Each child can enter his/her user name and password. It is the same procedure that our students use during the classroom logins.

If you are having any difficulty with your log in or you have any questions regarding account information, please contact: Janet Palte at jpalte@edu.shswadsworth.org

Registration documents for next school year are due as soon as possible. Please either mail in the forms or drop them off at the school (hours vary, please call) or parish office (open – 9:00-12:00pm and 1:00-4:00pm M-F and 9:00 -1:00, beginning March 23). We appreciate your attention to this matter as we prepare for the 2020-2021 school year. We hope that your children continue their education at Sacred Heart of Jesus School.

The TAP application deadline has been extended through March.

We are still collecting the Knights of Columbus Cash Bonanza Raffle Tickets. They can be dropped off at the parish office or placed in the collection baskets during Mass.

The challenge, from going from traditional school to online/paper/correspondence is real, but our staff is up to this challenge and will do whatever needs to be done to make this trying time a bit easier to handle for our students. We know we can't fully recreate the school environment at home but we will try. Safety first, then learning. I will send out communications regularly both in email blasts and also via One Call, so stay tuned.

Stay Healthy, Stay Safe, Stay Strong, God Bless!

Bill Adams
Principal
