1	wired or wireless mouse strongly suggested for computer		

Due to the ever changing nature of COVID-19 an additional request for supplies may be needed as the year gets underway. We appreciate the efforts our families put into ensuring that their children have the necessary materials to assist the instructional and creative programs at school.

Each family is asked to provide one or more bottles of hand sanitizer (if possible as we know supplies are limited) per child. These will be stored and used in the classroom. Please be aware that some hand sanitizers have been identified by the FDA as harmful due to methanol and cannot be used in schools. Information can be found at <https://www.fda.gov/drugs/drug-safety-and-availability/fda-updates-hand-sanitizers-consumers-should-not->
