

Dear Future Second Grade Parent,

Hello! We know your child has learned a lot in this past year. Let's help them continue his/her learning this summer and not experience "summer slide." If you could do these three things the next few months, your child will be ready for a successful second grade year as well.

- 1.) Go to Mass every weekend. Talk to your child about your faith often. Second grade is a sacramental year and you are his/her first teachers.
- 2.) READ. Every. Single. Day. Read books, of course, but also magazines (we suggest Zoobooks, National Geographic Kids, Ranger Rick, Highlights), cereal boxes, recipes, road signs, etc. Give your child opportunities to read and encourage it often. We highly recommend designating a set time to read. Before bed works for many families. "Let" them "stay up" to read a book! A reading light by his/her bed is a good way to make it special and cozy. Take them to the library in town each week.
- 3.) Practice math facts, especially the ten facts (1+9, 2+8, 3+7, etc.) They need to know these without using their fingers. Use flashcards, sign up for XtraMath, or just quiz them in the car doing mental math. Every little bit helps!

If the attached sheets help encourage your second grader to stay on track, please feel free to use them. **We will have a small treat for the students who complete and return them all the first week of school.** We hope you have a very happy summer. Stay safe.

God bless you,

Your second grade teachers

# SUMMER READING

WHO • WHAT • WHERE  
WHEN • HOW

WHO?

WHAT?

WHERE?

WHEN?

HOW?

Read to someone who is younger than you.	Read a book that a friend recommends.	Read at the park.	Read while standing in line.	Read in the dark with a flashlight.
Read to a relative over the phone.	Read an old favorite!	Read in the bathtub.	Read while driving in the car.	Read aloud with an accent.
Read to a pet or a stuffed animal.	Read something that is non-fiction.	Read by a pond, lake, river, or ocean.	Read early in the morning.	Read wearing sunglasses.
Read to a friend or a sibling.	Read something out of your comfort zone.	Read under the stars.	Read while on a day trip or a vacation.	Read aloud in a silly voice.
Read to someone who is older than you.	Read from a magazine or a newspaper.	Read in another town, city, state, or country.	Read while having a picnic.	Read wearing your bathing suit.
